

## IN, ON AND UNDER **the water**

# New Sunrunner shop

**D**ESCRIBED as the "Country Road of boating", Sunrunner will be opening a new shop in the Mandurah Ocean Marina at shop 5 Dolphin Quay (across from Moka Café) in five weeks.

Specialising in marine accessories and chandlery, selling haberdashery and kitchenware such as deflatables and fenders in different colours, Sunrunner lists new and used Sunrunners as well as quality used boats for sale.

A new 48-foot hardtop sports cruiser has just arrived as well as a 31-foot hardtop decked sports fisherman boat.

Ideal for weekend trips to Rottnest, it has all the comforts downstairs including a full galley, shower and toilet and can seat four in comfort.

Also coming soon is a 33-foot cruiser hardtop in time for the Boat Show from October 11-14.

At Sunrunner all servicing and boat maintenance is performed locally through Mandurah

Boat Lifters who are certified by Sunrunner.

Maintenance done locally means no need to travel to Fremantle or Perth – it's quicker and all performed in-house, making Sunrunner a boating one-stop shop.

Sunrunner's state sales manager Geoff Marsh and Michael Harris are both Mandurah Offshore Fishing and Sailing Club members and Michael is a member of the Brokers Institute of WA. For further details call Geoff on 0400 238 100 or Michael 0448 770 050.
