

New phrase coined to help community groups

By **JILL BURGESS**

MANDURAH is offered a chance to reward its community heroes, thanks to a major community initiative launched by Dolphin Quay at Mandurah Ocean Marina.

The waterfront retail complex is offering local community groups, non-for-profit organisations and sporting associations up to \$200 each in Dolphin Dollars to spend at Dolphin Quay.

Launched this month, Dolphin Dollars are redeemable at the growing variety of shops, restaurants, cafes and markets at Dolphin Quay.

Director Greg Poland, of Strzelecki Holdings Pty Ltd, which owns Dolphin Quay, said the scheme was "big news" for community groups as the free Dolphin Dollars could be used in many ways.

"They could be used to reward vol-

unteers, offered as prizes in fundraising drives, used as membership incentives or simply given as a thank-you to someone who plays an important role in their community," he said.

"Recipients can take their Dolphin Dollars to Dolphin Quay retailers and redeem them against the cost of items purchased, from meals and drinks to clothing and haircuts."

To apply for Dolphin Dollars for your community group, not-for-profit organisation or sporting association, call centre manager Jan Wiley on 9586 3011 for an application form.

Dippy Dolphin, Dolphin Quay's mascot, will officially launch the scheme this weekend when he joins in the Boat Show fun, handing out Dolphin Dollars in \$2, \$5 and \$10 denominations.
