

Sunrunner Sports Cruisers - A real Australian

YOU'D struggle to find a range of luxury sports cruisers as Australian as Sunrunner. The store in Mandurah at Dolphin Quay is about as Australian as you can get.

Geoff 'Swampy' Marsh runs the store with boating expert Michael Harris and the pair were awarded the 2007 Dealership of the Year.

Sunrunner is a proudly Australian owned company and all the boats are manufactured on the Gold Coast.

But what makes us Australian is much more than our boats.

It's the lifestyle and the experience that can only be enjoyed on one of our uniquely crafted masterpieces.

It's the power and the thrill of being the skipper.

It's the comfort and luxury the fittings and interiors provide for the lady of leisure.

It's the fun and excitement the children get each time they are taken out for a cruise. Nothing comes close to the value our boats deliver for families of Australia. So what else makes Sunrunner WA so Australian?

Recognised as the real sports cruisers, Sunrunner WA are proud sponsors of the WACA and the Retravision Warriors, the Perth Lynx and also the dynamic V8 drivers Mark and Glenn McNally who race in the Fujitsu V8 Supercar series and the V8 Ute Series.

If you are serious about investing in a boat make sure you check out the amazing value a Sunrunner offers before making any decisions.

For all enquiries please visit Geoff 'Swampy' Marsh or Michael Harris in the dealership at shop 5, 37 Dolphin Drive in Dolphin Quay or call 9583 5954.
